

# Coronavirus vaccine in Hamar

Hamar kommune offers the Coronavirus vaccine to all persons with residence Hamar.

The Coronavirus vaccine is free of charge.

The vaccine protects against Covid-19 and as it is the most important measure to stop the pandemic, Hamar's health authorities advice all residents to take the vaccine.

## How do you get the vaccine?

Register in the digital vaccine queue on this web site [www.hamar.kommune.no/koronavaksine](http://www.hamar.kommune.no/koronavaksine)

You can also register by telephone: 62 56 32 00 (Monday to Friday, 09:00 -15:00).

## Appointment booking

When it gets to your turn, you will receive an SMS from "Helseboka" saying that you can book an appointment for the vaccine. You book the appointment by following the link or calling the number in the SMS.

When you book, you get two appointments, one for each dose some weeks apart. To get protection from Covid-19 it is important to take both doses.

You will receive an SMS with confirmation and reminder of the appointment.

## Where do you get vaccinated?

In Hamar coronavirus vaccination takes place in "Vikingskipet". Address: Åkersvikvegen 1.

## Do you have any questions?

If you have any questions about the coronavirus vaccine, contact your doctor (fastlege).
